

BIOSTREAM CSR

CARPET + UPHOLSTERY STAIN REMOVER

DESCRIPTION

BioStream CSR (Carpet Stain Remover) is an enzymatic cleaning formula specially designed to digest away stains using natural ingredients. It is formulated to safely and effectively remove protein, carbohydrates, oils and fats from synthetic and natural fiber carpets and upholstery.

BENEFITS

- Loosens and cleans deep into carpet fibers
- Cleans grease, coffee, ground-in dirt, oil stains and blood
- Non-toxic and environmentally friendly

APPLICATION

Dilute accordingly:

- Heavy Duty: 12:1 (12 ounces of cleaner to 1 gallon of water)
- Medium Duty: 8:1 ratio
- Light Duty 6:1 ratio

Spray area with water and thoroughly saturate before applying cleaner. Wipe clean with a cloth, towel or dry mop.

PACKAGING STORAGE + SHELF LIFE

Recommend storing in sealed containers at <80° F for no longer than 24 months.

GREEN DOWNSTREAM®

When it comes to **Earth-Healing Technology and Products, Green Downstream® gets the Green Light.**
